“ I am so very sorry. I worked with Delores at JCPenney's. A sweeter, nicer person I have not seen. I am sorry I didn't come but I didn't know until today when I went to the cemetery. My Mom and Dad and Family are right in front of your Dad and now your Mom. I knew that your Dad was there but when I saw the gravesite I walked over and found that Delores had passed. I am so sorry. I will visit her very often as I am there several times a week. My family is right next to the Station and bush. Again my deepest condolences. I know you have many cherished memories of your sweet, cherished Mom and Grandma. GOd Bless each of you
