moment, we ended together with a smile. She treasured and although she may not have been aware, showed me her family story of love and commitment. I watched the love and strong commitment of her daughter Mary (and Jeff), and Mary's granddaughters Christina and Nicole (and Eric) and great granddaughter baby Bailey, every day be together as family. They cared, loved, and continued the hard days EVERY DAY, as Del wished and loved - weekday and weekend dinners were their tradition that they continued in Dominick and Del's home. Del's wishes, I commend you Mary and all of you... she was very loved and a lady who raised a wonderful family! She blessed many lives and I will

“ I have so many memories of my sister I could write a book. I'll share just a few with you. When I lived on Banmoor in Troy Del would come over just about every morning after our husbands left for work and the kids would be off to school. I had to make her pancakes, she had to have thin and not heavy. When she and Dom had their horse Coop's Kid running at the track we would go there so she could check up on him and make sure he was well taken care of. We would step in you know what and get our shoes dirty and just laugh like a couple of fools. We had our little secrets, you know the kind only sisters can share. I will always remember my dear sister and miss her laughter and the twinkle in her eyes.

“ So many wonderful memories. Staying the weekend, riding ponies, swimming in the pool, playing In the barn. Aunt Del making us get up early to go to mass after Saturdays at the mall and goofing around all night with my cousin. Teaching a city girl about horses and farm life and many fabulous Strawberry festivals! Wonderful memories with a beautiful, special lady and the family she created and loved.

I was blessed to care and love Del. She was a woman of love, faith, strength, courage, and family. Although our days together were tough, her and I became team “Del”, (she winked and laughed with me), as every tough moment, we ended together with a smile. She treasured and although she may not have been aware, showed me her family story of love and commitment. I watched the love and strong commitment of her daughter Mary (and Jeff), and Mary’s granddaughters Christina and Nicole (and Eric and great granddaughter baby Bailey), every day be together as family. They cared, loved, and continued the hard days EVERY DAY, as Del wished and loved - weekday and weekend dinners were their tradition that they continued in Dominick and Del’s home, Del’s wishes. I commend you Mary and all of you... she was very loved and a lady who raised a wonderful family! She blessed many lives and I will always remember her wink and our laughs - I am sure your dancing and singing now - much love to you Del and all of your family ❤️ Love, your caregiver Christine Rekar 🍀🙏

“ So many memories and stories to tell good or bad we had them all. But the best to me was every time she would leave her house to go to the Macomb Mall she had to pass my house. Parked her car in our side drive run in for a potty break say hi- bye and leave with no other words. Laugh leaving. Love her to death a great cousin. Mary you were a great daughter and care giver all those years Thank you. Mike too when he could. But a daughter is a daughter. 💕💕 you cuz. Sharon and Tom

“ I always loved her fun loving personality. She would put a smile on my face every time she came into the salon and I would ask her if I could get her something to drink and she would always say do you have a 7 and 7 and then follow up with a wink and a giant grin. I will miss her and all my thoughts and prayers are with her and her family.
