“ I’m so sad and very sorry to read of Denise’s passing. I was very blessed to have met Denise in 1980 while working at TACOM; we instantly connected and she became a dear friend and co-worker. Denise was incredible working in the protocol office and taught me so much with regard to proper protocol etiquette. Denise will be sorely missed. Eternal rest grant unto her Lord and let the perpetual light shine upon her. May she rest in peace. 🙏🙏🙏🙏🙏🙏

So sorry to hear that my friend Denise has passed away. Denise was my sorority sister and we shared a lot of fun times together. It's been several years since I saw Denise, We saw each other when we were both having PT at the same location. I'm sure she is happy and at peace. God bless her family. Praying for Denise as she rests in the arms of Our Dear Lord. Micki Blaz
