“ I have so many happy memories of Denise. She was an inspiration to me over the years how she always weathered life's trials and tribulations with such bravery and faith! She would always say she was "fine or good" when I would ask her how she was. Her and Blake welcomed me into their home when I worked "part time" at the clinic downstate.

They shared many wonderful meals, popcorn, candy and wine with me when I stayed with them and Becky. Blake would come out and ask "What can I get for you ladies?"

Denise, Becky and I watched movies that I am sure they had seen before, but because I hadn't they were" happy to watch them again" was always Denise's answer! I will miss her more then I can say! I truly loved her. My deepest sympathy to the family. I am sure she is with our Lord and we will meet again at Jesus' feet.

“ *Mark, Becky & Scott and family,*

I am very sorry for your loss. Denise was a very sweet lady. I remember eating cherries from your tree in the back yard when we were growing up. She always seemed happy to see me at church. My prayers are with you all.

*Dear Becky,
I am so sorry to know that your mom passed away. I am thinking about you and sending you a hug. Although I haven't seen you or your folks in a very long time, I remember your mom and dad being very supportive of you. May God continue to watch over you.... Chris Apel*
