“ *Dear Scott and family: You know that your mom is with your dad now, don't you? I will always remember you and Gale graduating from Jardon School together and then you and your mom came to her graduation party at Dave and Buster's in Utica. Then you and Gale worked at Farmer Jacks for a long time with you mom working the Deli. Then you and Gale and your mom worked for Hollywood Market. You and your mom always sent us a Christmas card every year through all these years living in Royal Oak. Gale is still quarantined due to Covid because she has epilepsy and other health problems so Gale and I cannot come to the funeral home but you and your family are in our thoughts today as long time friends and Royal Oak Residents !*

*Fondly, Gale Kauffman and Bev Barnhouse (her Aunt-Mom)*
