“ Grandpa, I'm sure I should be sharing something sentimental about you, but I'm just so sad to be sharing anything at all. It was such a short time ago I was just sharing something about grandma and wasn't prepared for this! You were so funny and had the best sense of humor for those who really knew you! I'll miss those laughs the most "melt your frickin popsicle". I wish we had more time, I thought we had more time! I'm so sorry we didn't! I know your with grandma and that's what helps my heart! I lost you both too soon, though your in my thoughts and prayers everyday! I love you... Lorilye

“ Cathy and Walid, my prayers and sympathies are with you during this difficult time. I only met your Dad a few times when he visited here but I could tell how much he loved you! I hope the thought that he is with your Mom now and in no more pain gives you just a small bit of comfort as you go through this yet again. I'm so very sorry for your loss. Love Meredith Caldwell-Nall.
