“ *Linda, Bill and I have fond memories of the visit to your home to celebrate Stacey & Robert's wedding. We remember the kindness and warm reception that you and Dennis extended to us. I know that Stacey felt very close to her father and Robert loved him as well. You have been a kind and patient wife as you cared for Dennis these past years. It is wonderful that you both were able to love, laugh and enjoy life during that time. We will remember all of your family in our heart and prayers.*
