“ I am so sorry for your loss. As the days and weeks pass, and you return to life's routine, may you be comforted by our ...God and Father of our Lord... the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God". 2 Cor. 1: 3, 4. Please accept my sincere condolences for your loss. Please also find comfort in the following: John 11:11 where Jesus said, "...Lazarus our friend has gone to rest, but I am journeying there to awaken him from the sleep." Our Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.

“ *My Dearest Mr. D. It took some time after becoming a member of the family to think of you otherwise... I admired you for your kind, thoughtful qualities, your leadership abilities and your acceptance of others. You inspired me to be my best always and look to the positive side of life and I have. I will truly miss your joyous spin on life and I am relieved you have passed on to the better side of eternal life. I will miss you.*

“ *My Brother, My Brother..... You were so many things to so many people! We shared a plethora of experiences throughout our life together. You were my hero at times, my savior at other times, my mentor, my nemesis, my friend. I was blessed to have you as my big brother, and I will hold your beautiful spirit in my heart forever!*

“ *Michelle & Family: My heartfelt condolences are with you and your family during this difficult time. I am truly saddened by Dennis's death. Dennis was more than just a friend; he was an amazing person. He was always so kind and considerate to everyone, that we always welcomed seeing him at every opportunity. As we are all aware, Dennis had the unique ability to always make each and everyone of us feel so special. His famous greetings... a smile, open arms and a kiss, is what I will miss dearly. His passing will not only leave a void in our lives, but in the hearts of everyone who knew him. Dennis's memory will always remain deep within our hearts. Words are very inadequate to express the pain we are feeling. I pray to God to give you courage to overcome this grief. May God bless you, and endow you with his love and care.*

“ So sorry to hear of his passing! May I just say that "Mr. D" has left his mark on myself as well as many other students and technologists that have passed through the halls of Beaumont's Radiology Dept. and Program. I feel that a part of him is with me when I interact with my radiology students everyday! Now he can go teach the angels a thing or two up in heaven!! Love to Michelle and all the family,

“ It was not a coincidence that 'Mr. D' worked for so many years at WBH. Thousands of patients were blessed by his leadership in the Radiology Department. Hundreds of X-Ray students and Technicians are better patient care providers because of the influence of this wonderful man. God Bless you 'Mr. D'

“ My favorite memory of Denny is from the day before Dave and Alison's wedding. Denny was so excited to show off his new suit and all its trimmings to Joyce, Dave, and Alison. And I happened to be included in their family moment. Denny laid it all out so that the suspenders and tie and pocket square were all in place so that he could present the entire picture. He was like a giddy little kid excited about his new duds. He reminded me much of Dave at the time. It was a joy to experience, and no one in the room could keep from smiling and sharing in his excitement at his new dapper clothes. For this and so many other things, Denny will be so fondly remembered. My heart goes out to his family - immediate and extended - in this time of sorrow. Love to all.

“ For once I'm speechless...all I know is a chunk of me is missing. You fought a hell of a good fight. I know you are resting in peace now. Say "hi" to Joyce for me, and save me a spot...I'll see you on the other side.
