

Dennis Donahue

May 9, 1943 - December 25, 2025

Dennis F. Donahue, age 82, a resident of Utica and formerly of St. Clair Shores, passed away peacefully. He was born on May 9, 1943, in Chicago, Illinois, to the late Francis and Beatrice (née Wahl) Donahue.

Dennis worked for many years as a punch press operator and spot welder at Kor-Tech Stamping, where he was known for his reliability and dedication.

Dennis did not wish to have a funeral service, and his family has chosen to honor his wishes. In remembrance, they would like to share a few reflections on his life.

Dennis loved the outdoors and found great joy in hiking trails, fishing, finding fossils, and exploring nature. He also enjoyed good food, listening to oldies music playing throughout the house, and trips to the casino with his good friend and neighbor, Ken. Retirement suited him well and was something he truly enjoyed.

A very giving person, Dennis was always willing to lend a helping hand to anyone in need. He will be remembered as a kind and caring man who will be deeply missed by his family, friends, and all who had the opportunity to know him.

Dennis was the beloved husband of Diane (née Williams) Donahue; loving father of Dennis, Gregory, and Kellie; proud grandfather of Dennis, Michael, Deanna, and Daniel and great grandfather of Landyn.

“ I remember walking trails with Dennis and his son, my friend Dennis. Big Dennis had a BB gun and he knew that thing so good he could shoot a bug from 8 to 10 feet without while walking. Amazing! Also I remember riding the Trail 50.. Man that thing could take a beating! I am sorry to hear about Dennis' passing. Rest in Peace Big Dennis and God Bless your family!
