“ *Even though we did not see each other very often because of
distance, the times we had together you and I and Gary were the
greatest.! Couldn't trade those for enough money. When you stayed
at our house, we used to get up and sneak down to recreation Park
to grab the rosin bags off the pitchers mound. Over the years I think
you got more than me. It was great being with you guys, and I will
truly miss your laugh your stories, and your very large heart. Go
with God and say hello to your mom and your dad , your sister and
grandpa Camilo for me.!* 😊😭
