Kind heart, hard worker, loving father and grandfather, best sense of humor, terrible driver, good husband, nickel slot player, all round wonderful guy. Dennis could always make me laugh with that dry quiet ..under-his-breath comment. Pat you and the "children" you know the ones in their 50s and damn near 60s have my deepest condolences. This world is a little less pleasant without Dennis. I will miss him.

Our thoughts and prayers are with you and the family, Pat. Our memories of our Grand Haven, Jackman neighborhood and the fun we always had with the Hunko family are hard to beat. May those memories help to comfort you in this difficult time.
