“ I have lots of childhood memories of our family visiting my mum's brother Uncle Charles & Aunt Marie, & Dennis, Bobby, Cheryl, & Jennette in Michigan. That's where we four kids first watched "The Three Stooges"! We sat on their couch fascinated by those silly men. Then our mums took the mattresses off the kid's beds & put them on the floor. Some of us slept on the box springs on the bed, & some of us slept on the mattresses on the floor. Then their family would come to visit us the next year & we would climb over rocks & fallen trees in the woods on the ridge where we lived in Pennsylvania. We loved our Jobses family cousins. Of course Dennis was my favorite & my heart is sad. Much love to his family. Bonnie Lisbon Shawley

Thank you for sharing this piece of my dad's childhood. He would often tell stories of his visits to Pennsylvania with all of you. They were some of his best memories .
