“ Hello Jeannette and family, I was so very saddened to here about Dennis. He reminded me so very much of my late husband, Al Janco. He was so very kind hearted, and always wore a smile inhis face! My thoughts and prayers are with you and yours! Mary Lee Janco

“ Uncle Denny will be missed by all of his Grand Rapids relatives. He was a wonderful, kind-hearted man who was always telling an entertaining story or showing the kids a magic trick. He loved the Detroit Tigers and was a great bowler. Happy Birthday Uncle Denny, and thanks for remembering all of our birthdays over the years. Love, Bob, Jen, Ryan and Mallory
