

Dennis Edward Lloyd

June 16, 1949 - November 14, 2014

Lloyd, Dennis. Age 65. November 14, 2014.

Loving father of Hester Leonard West, Sara Lloyd, and David Lloyd. Dear grandfather of Emily Lloyd. Dear brother of Deborah and Dori Roudebush and the late Diane Harris. Dennis was a long-time service engineer for Hobart. He was very creative and artistic. He had many hobbies over the years and always needed a "hobby room." He used to make and fly model airplanes, then he painted oil paintings, then he made stained glass. Dennis had a lot of friends and family spread around the country. It made him happy that he could keep in touch with them even though they were far away. Dennis loved Disney, so working for the Disney Hotel was his favorite job, especially since he got to see so many happy families. Visitation will be Thursday 9 a.m. until time of service 11 a.m. at the Wm. Sullivan & Son Funeral Home, 705 W. 11 Mile Rd. 4 blocks E. of Woodward, Royal Oak. Please share your memories at sullivanfuneraldirectors.com.

“ November 21, 2014 Dear Dad, I'm happy that we have been able to grow even closer during this last year. I'm happy you were able to spend time with Emily and play all your little pranks, trip to the dollar stores, let her play with your cars, and then she would find your candy and sweets stash. Though, I am not happy that you were sick, I'm happy that I was able to take care of you and help you through being sick. I'm happy that you were able to reconnect with all your family and friends on Facebook. I'm happy that you worked where you worked because I know that you were proud to work for Hobart, The Mirage, and I know that you absolutely loved working at Disney. I'm happy that I was able to take you to your first major league baseball stadium and attend a few games. I am happy that I was able to take you to your favorite artist, The Norman Rockwell exhibit, and I'm happy Sara and I were able to bring you to see the "Blue Man Group", and the "ZZ Top"/"Brooks and Dunn" concert. I loved learning what you liked and did not like because some of it surprised me a bit. I love that we liked baseball, "Price is Right", and "Ancient Aliens". I love that Emily, you, and I were able to watch your favorite movie, "American Graffiti", together. I love that I thought you would be off your rocker about something like an appointment, paper or trinket you were looking for, or the elusive "Rocky Road" Candy bar, but you would inevitably be right about it. You knew all your appointments, where every piece of paper or anything you were looking for was, and I thought the Rocky Road candy bars were a figment of your imagination because I could not find them anywhere. I will miss hearing your stories of growing up from being a kid, through high school years, to your different jobs. I will miss hearing you tell stories of our family and yours. I will miss the stories that I will not get to hear. I will miss all the time we spent in the car. I will miss making fun of people's license plates with you and me making fun of "Big Bang Theory" at you. I will miss everything about you especially having you around. I love you and miss you, Hester

“ This is Loretta Harris and I'm Dennis's first born Niece. I was spoiled and loved by him always. You are free to soar Uncle Denny. I will always remember the Incredibly Talented, Funny, and Wise Man that Loved Everyone. The last time we spoke we laughed and said Bazinga
