“ Dennis is my uncle and was the only one on my father's side I can ever remember being close to. He always was there when we needed him . He always had an awesome sense of humor and i remember he came down south to see us when I was a child I remember seeing him as a teenager ,but in 2010 I was blessed enough to see him one final time as a young man ,and he was just as welcoming and humorous as always . I loved hearing about his life ,about my father and just getting to spend time with him . I understand why my dad named my little brother after him . Let it rip I hope he flies high. Karrie I hope your ok I'd love to hear from my relatives on my dad's side just to know how yall are . Sincerely- Neal Leo Urho Niemi .

“ Karrie, I wish I knew the right words to say to ease you through the grief of losing your Dad. Please know that I am thinking of you and praying for you and your family. Some of my best memories of my childhood were with you and your family at your house on Independence Dr. or at Walters Beach and Camp Dearborn. Your Dad was a very kind man with a big heart and I will never forget him.

“ *I can't believe he's gone. My brother was a very talented man with a unique sense of humor and a generous heart. I'll always remember his clever "Finnish Tricks", barbeques on his deck and how he cared for Oscar his "pet" squirrel. Oscar feasted on bag after bag of peanuts on the custom built dining table and chair that Dennis made for him. I will always treasure the time I got to spend with my brother. I love you Dennis.
