

Dennis Lee Talley

November 3, 1951 - January 2, 2020

Dennis Lee Talley was born November 3, 1951 in Highland Park, MI to Archibald Lee Talley and Barbara Ella Talley. He graduated Lawrence Technological University in 1978 with a Bachelor's Degree in Mathematics and a Minor in Computer Science. Dennis entered the burgeoning field of computer technologies in the late 1970s and worked as a computer programmer for Sears, Advantis, and IBM. He moved to the Chicagoland area in 1984 and retired in 2017. He passed away on January 2, 2020 at the age of 68.

Dennis was a highly intelligent man with a strong work ethic. He raised his children as a single parent and provided all they could need throughout their lives. He always put his family and friends first and spent as much time with them as possible, whether that be near Detroit, Paw Paw, or eventually Kalamazoo. In his retired years, if he was not in Michigan visiting family and friends, he was traveling the nation to spend extended periods of time with his grandson. Dennis was a loving son, sibling, father, and grandfather. He is survived by his mother Barbara Ella Talley, sister Dr. Susan Ann Talley, children Nicolle Lynn Talley and Neil Patrick Talley, and grandson Hunter Lee Talley. He was incredibly loved and will be eternally missed.
