“ Dear Mrs. Wright,
I wanted so much to come to Jackson Michigan to see Dennis and share old memories with him. Someone just notified me today 19th. Oct. of Dennis's passing and the funeral that I would have attended if I had been told one day before that it was on the 17th..
Dennis and I worked together in two separate studios for over four or five years and we shared so many stories. I learned about his family in South Dakota and how they raised cows. I always wanted to go there to meet the family.
He was a wonderful friend and I visited your home one time when Kip Wasenkos car failed and we made it to your home to get a ride to work with Dennis.
You dear lady have the strength and courage that everyone should admire.
The last time I saw Dennis was maybe three or four years ago at the cafe on Woodward and fifteen mile road.
Be well and regards to the entire family.

“ Dear Deanna, Craig, Shannon and family,

George and I were so sorry to learn of Dennis' passing. We were in New Brunswick, Canada at the time and were unable to use our phones or computers. Deanna, we wanted to call and couldn't. We felt terrible to have missed the service as well. Please know that you have been in our thoughts and prayers. Heading back to Royal Oak mid week and we will talk then. Our deepest sympathy to all Dennis' family.

“ To the family of Dennis Wright : Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.
