“ I am still in shock and struggle with what to say. At times like this, words mean so very little. No words can remove the pain that is felt by a grieving family. I didn't know Dex as well as most everyone else, or as long, but what I do know about him, is that he was an all around good guy. I relied on him for advice and help, he was always ready, and usually went above and beyond. I didn't get a chance to socialize with Dex outside of GDA, but he was a great guy to work with, and I will miss him, things just won't be the same.

“ *My sincere condolences to your family. Dexter was such a good and kind person. I was honored to call him my friend for over thirty years. My daughter also remembers his kindness when he came to the bagel shop where she worked. Keeping you in my prayers. Ray Golembiewski*

“ *Dexter and I didn't always see eye to eye , but he was very compassionate about the things that he did for others . Know that he did a great service to his fellow man Kind , And that God has him resting in his heart for eternal peace and love. May everyone that knew, him have that same peace growing inside knowing that he is no longer suffering here . God Bless.*
