

Diana Harwood

September 6, 1947 - June 12, 2021

Diana Harwood passed away at home on June 12th, 2021 at the age of 73 years old. Diana was born on September 6th, 1947 in Canonsburg, Pennsylvania to the parents of Louis and Lucy Nocki. She attended East Detroit High School, and in 1965 she married her love, William Harwood. A man who stole her heart with the sound of a "horn". She was married for 55 loving years to her beloved husband. Diana was a resident of Sterling Heights and Warren Michigan, where she helped raise her four children with her loving husband William Harwood. Diana held miscellaneous jobs but being a homemaker was her number one love and joy. You always knew mom was home, ready to make you a meal or simply to engage in conversation. Being surrounded by her children and grandchildren was her peace. She is survived by her husband William, sons William Harwood, Vince (Mary Beth) Harwood, Angelo (Margaret) Harwood, daughter, Simone (Jeff) Fallon and grandchildren Jeffery, Allison, Jared, Kyle, William, Michael, Lucy, Nina, and Angelo. Diana was a people person who always enjoyed conversation. She would share stories of her past and always update you on how her children and grandchildren were doing. Her love for travel included many cherished memories with family to Tennessee, Virginia and her loving family in Northern Michigan. Diana had a gift to create. She created many keepsakes for the family to have as long-lasting memories of her love. She always challenged her mind using "Nana's Tablet" to perfect her skill of facts which often came to light when watching Jeopardy. If you stopped at the house, you likely walked

in, while she was watching her TV programs that always seemed to have an investigative side to things. Playing the role of "Nana", was perhaps her most favorite. Her children and grandchildren were her pride and joy. She always had news or a story to share about what was going on in their lives. She loved them deeply and it showed in every conversation. Diana, will always be in the hearts and memories of those she has graced in her lifetime. She will be missed deeply and loved always. In lieu of flowers, donations can be sent "in memory of" to the American Heart Association www.heart.org

“ I'll forever remember Mrs. Hardwood for her strong personality. Her raspy laugh. And how much she loved Bill. She wasn't afraid to speak her mind. She kept all of us kids check if we are in or around her house. She could be authoritative. And sweet. Sometimes at the same time. I also remember how strong she was with her kids. Never to be mean or I'll willed. But to raise them to be tough and strong for moments like this. RIP Mrs. Harwood.

“ As a child she would always play games with me. Kaboom being my least favorite. As an adult countless camping adventures at spring lake. My kids playing endlessly with their cousins. Lots of laughs and memories. You will be missed by many. Sheree

“ *She was our sister in law for 50+ years. So many conversations. Our kids grew up together. She was, indeed, a great jeopardy player. Loved her family with all the love she had. So many memories of card games on Saturday nights, camping, especially a camping trip in a downpour where we moved are tent on someone's porch and prayed they wouldn't show up for the weekend. You'll be so missed. Love you always*

“ *So many memories! She and I shared so many laughs. That's what I will miss most...her laugh. I'm sure she's up there with Gen and Bill sharing the stories.*
