“ I have fond memories of Aunt Diane dropping me off at my house so I wouldn't have to walk home when she was the substitute bus driver. So sorry to hear of her passing. Love And prayers to her children and grandchildren during this difficult time.

Love,  
Lauren Martinez (Van De Winkle)

“ Droz is one of my dearest friends. Over the last several months we were able to reminisce about our shared lives, we laughed and cried together. When she changed her name I would often call her Dr.Oz! Droz was so proud of her family! I was so honored when Droz asked me to be Jayde's Godmother. I will miss her so much! She was smart and loving and kind. She spoke her mind but always meant well.

“ Mrs. Droz always had a great sense of humor. She could make you laugh even if you wanted to cry. She raised three kind children and loved all of us from the neighborhood. She always invited and welcomed us to her home. Mrs. Drozd was genuine. Xo
