“ *Jim, You know our thoughts are with you. Also, please tell Marcus that we recieved his e-mail. Very thoughtful of him to track us down. We also tried to return Alexis' call, but perhaps she was en route to Detroit. You know our offer for you to come visit us here is genuine and we very much look forward to seeing you. “ *My childhood memories are filled with grandma Diane's presence, especially during the holidays. She will surely be missed. If anyone is going to contact me through email, please put "FAMILY" in the subject. I am sorry I won't be able to attend, but I do want to hear from anyone that knew Diane. Marcus*
