“ Your Mom was a strong resilient person and lived life to the fullest. Although I didn't see her much over the last few years, I did see her many times during her last few months at your house. I know she appreciated all you and Luke and your families did for her. She spent the last days of her life in a loving cozy home surrounded by everyone who loved her. I know she is at peace in heaven with her loved ones. You are in my thoughts and prayers. Love you guys! Mom/Nannie
