“ Today in workshop her favorite job showed up. I told her friends "you did it" when they emptied their boxes of work, because she would always say "I did it!" when she finished a box. So one more time; "Yes Dianne you did and I'm so proud of you." It was an honor and privilege to share my work days with her. Elizabeth Reid (JVS-training specialist)

“ Diane lit up the halls of JVS with her smiles and hugs. She would share details of recent outings and events with great enthusiasm, and, of course, inquire about my dog. Dianne was a dear person who will be missed my many. My condolences to you all.

“ Sue, Brian and Tim, I am so sorry for your loss. The things I loved best about Dianne were her hugs and her smile. She gave the best hugs and even though she was so strong they almost hurt at times, you always knew they were filled with a lot of love. The picture on this site is perfect because it shows the wonderful smile that lit up her face and always made me smile. She will definitely be missed!

“ My condolences to Dianne's family and friends. I will always remember her happy hugs in the hallways at JVS. She always asked me to write down the name of my roommate's cat, Bella, girl, on her notepad. One day I wrote another cat's name: Casper, boy. Dianne looked at it and said, "No boys!"  
Yes, she will be greatly missed.

“ Brian, Sue and Tim - This is such a loss for the entire family. She always made you feel special with her smile and questions about family and CJ our dog (what a great animal lover). Dianne was also one of the biggest Detroit Tiger fans I knew. It was great to see her one time at the RenCen in Detroit on a field trip and having her later talk about it many times. Someone was actually excited to see me. What an awesome person who will be greatly missed. Thoughts & prayers your way.
