“ *With a heavy heart, I am writing on about the loss of my Grandma. At this time, I have to remember to share all the great memories that I shared with her instead of focusing on the loss. There will not be a day that goes by where I am not waiting for her to call. I will miss our phone calls and Sunday visits more than I can explain. My grandmother truly played such an important role in my childhood and now adulthood and I couldn't be more blessed to have her as my Grandma. I love you Grandma.*
