“ I would like to extend my deepest sympathies to the entire Hardt family. Having met Mr. Hardt through Barb, I remember him as a wonderfully kind person who loved gardening and his family. The way Barb talked about him became even more evident after meeting him. I know that he will be missed by all that knew and loved him, he was a remarkable person that would be hard not to appreciate and to cherish his memory.

“ Barbie & Family: My heart goes out to you at this very difficult time. Although words may fail me, love does not. Barb, You are a wonderful testament to the man that your father was and the woman that your mother is. May God bless you and fill you with the comfort of His Holy Spirit. I am sorry I could not be there to put my arms around you, but you are constantly in my thoughts and prayers. The boys and I love you and I will see you when we get back. Lots of Love
