“*It was with great sadness that I read in the Tribune about Dick's death. That sadness was tinged with the joy of having known and worked with Dick for 13 years at the Trib. He was the one who taught me what a reporter's real role was -- to hold the flash and the equipment for the photographer. Whether it was with the gang at Johnnie's after work or on a deadline shoot, he was a professional and a gentle man. My deepest sympathy to his family and to his friends.*

“*Dear Aunt Dar, Aunt Neice, Craig, Chris, & Shannon, I am so sorry for your loss. Uncle Dick was one of my favorite people. I always loved his humor and the time he would take just to sit and talk. No matter how I felt, he could always say something that would make me laugh, or just feel better. I will never forget him, he is really a terrific man. We will all miss him very much. I understand what you are going through, and my heart & prayers are with you. I love you all, Kenny*

“ Darlene, When I opened my Trib and saw the news about Dick I had instant tears. How tragic is his loss not only for you but for Craig, Chris & Shannon, Nicole and your whole family. I'll never be able to repay Dick for his friendship and having faith in my ability to be a photographer which has been such a satisfying, life-long career. Darlene, you were one of the best things that ever happened to him and you made his life so complete and he loved you so much--I thank God that you gave him so much love and happiness. What a meaningful tribute you gave him at his retirement party last July--your book was priceless and meant so much to him and those who admired him. I still want a copy! May God comfort you and bless you always. With love and thanks, Margene & Jack Scott

“ I always enjoyed Mr. Hunts photo's in the Tribune. Mr. Hunt took my parents Al and Cathy Johnston wedding pictures 6/1/63, his brother Thomas was my fathers best man. Mr. Hunt went on to take my wedding photos, '88, my sister '87, and my brothers in '95. One of my prize pictures of my father was taken by Mr. Hunt in a field, standing next to his 61? Impala, it hangs on mine and my siblings walls. I also have countless photos of my mother taken by him as well that are great black and whites. My very sincere sympathy to the family. Mr. Hunts Photo's will live on in my families lives and homes for a very long time. Karen Johnston-Bender

“ Dick and I worked together for nearly 20 years. I will always remember his enthusiasm for his work, even when I might call him at 2 a.m., or he would call me at 2 a.m. He will be missed. Rude Difazio

“ Dear Craig, Chris, and Shannon, I only have fond memories of your Dad when I was a child. I remember being so excited to learn that "Dick and Denise" were at Gramma's house. He was always so nice to us kids. Even though we haven't seen each other in years, I still feel a loss knowing that your Dad is no longer with us. My deepest sympathy, Love your cousin, Marsha

“ Dick was definitely one-of-a-kind and will be sorely missed. There was no one better at getting the photo at a breaking news event, and that was proven by the many awards he received throughout his 50-year career. He also devoted many hours to helping the less fortunate through his charity golf event. Our condolences to his family and many friends. He will always be remembered fondly as a friend and colleague.

“ Dick was a fine man. A brother in the F.O.P. Some of my finest memories of the R.O.P.D. was Dick running right along with me taking pictures. We made some good ones didn't we pal. You are missed already!
