“ Dear Friedman family,
Condolences on the loss of a beautiful wife, loving mother ,
grandma and great grandma.
I have such fond memories of the simple times spent together that usually involved food and laughter. Your mother was like a sister to my mom and an aunt to me. I have a distant recollection of being at the Dechy home with your father. It was right after her father died and there was a gathering at the home, it felt like family to me. If I am in town when you have the memorial I will be there. Hugs from CA to you all.
