“ I just learned of the passing of your Mom, I had lost contact with your Mom several years ago but she was always in my thoughts. I met your Mom when we were both 9 years old and we became fast friend we (my husband and John were friends and grew up together and introduced John to your Mom and they got married young like Jim and I did.

I just loved your Mom she is my daughter's godmother. May she rest in peace, I am so sorry that I did not get to see her before her passing.

She sure loved her family and she was so loved.

“ Dear Kirk, Keith and family:

I am so sorry for your loss.

Dolores was my mom's roommate for two years at the Genesis Senior Living home. I always looked forward to seeing her when I would visit my mom. She was cheerful and sweet. And she loved you very much.

I know that she must be thrilled to be reunited with her husband and mother now.

I am sorry that I only learned of her passing yesterday and couldn't pay my respects in person. God bless you all.

“ To the family of Dolores. We are so sad to hear of your mother, grandmother passing. We want to share a personal memory. We attended Utica United Methodist church and were friends with John and Dolores. Bowled on the same team through the church for a few years. Went out to dinner. John and I fished together. Oh, so many activities we did as couples together.

We feel so bad we didn't know of Dolores passing and missing our chance to pay our respects. Please except our deepest sympathies..your mother/grandmother was a very special person. We remember her big smile and her laugh that was so heart warming.

God bless you as you grieve your loss.
