“ I met Dominic though my wife, she was friends with Carla, and though the years I became friends with Dominic . Loved your quick witted humor . Loved the kindness you shared with me , and the many laughs. I guess my last memory was how you refused to do karaoke 🎤 at our house this summer . But I enjoyed your company, rest peaceful my friend. My condolences to Carla , and your family.

“When he shall die,
Take him and cut him out in little stars,
And he will make the face of heaven so fine
That all the world will be in love with night
And pay no worship to the brilliant sun.”
Rest In Peace Dominic.

“ I always enjoyed my cousin Dominic. He's been a gentle soul a loving family member and have enjoyed him immensely. I really enjoyed having Christmas at his home after my aunt and uncle passed away it was pretty neat how he took it on. With his siblings and myself it's been a pretty big crowd!
I am grateful for the positive and wonderful memories he gave me.
The last one was just a few days ago, and I will always treasure it.
