“ My dear Domonique, thank you for being my daughter's best friend!!! You loved our family and we all loved and will always love you dearly sweetheart! Your smile and your laughter was contagious. You could light up a room by your mere presence. You fought the long, hard and tough battle and suffered greatly honey and I am so, so sorry you had to go through all of that. You were so STRONG, so COURAGEOUS and so BRAVE and such a WARRIOR!!! Now you can rest peacefully, no more worries, no more pain, no more suffering. You will always be in our thoughts, never forgotten and you will live on in our hearts here on earth until we meet again! Our deepest sympathies go out to your family and friends. We miss you already and we LOVE YOU so much honey! Always and forever, Orlando, Deirdre, Abby, Rachel and Natalie

“ Dom was bull headed. Didn't beat around the bush. Said what she felt even though feelings were hurt. BUT that is why we loved her and she was an amazing friend. She helped me through my fathers death, because she had just experienced it with her own. We may not have talked everyday, or even had eachother stored in our phones, but if I needed her she MADE her self available. She was amazing and even touched the heart of my husband AND daughter. She laughed even though she hurt, she smiled even though she didn't have anything to smile about, she loved even though she doubted it, that's a true rockstar in my eyes, and she will forever be loved and miss by so many. My heart breaks for her family, but she has touched so many lives, knowing now that she is no longer hurting, soothes my heart ache. Til we meet again my friend, soar amongst the angels, be in peace with your father, and know you are healed.. we love you, now and forever... thank you for being a chapter in my life.. I will miss you.

“ *I remember we used to walk home from the Football games freshman year.. You would help me watch my niece.. And to this day the first thing you'd ask about is her.. We would joke about straightening your hair "no fluff" lol bone straight!! I see u got the hang of it.. This is one tough pill to swallow, having to read your obituary... Your family is in my prayers and You will be MISSED, forever in memory and loved.. No more pain, no more treatments, no more suffering and definitely no more tears... I'm so sorry your life was cut short but I'm certain that you are in better hands.. See you next lifetime #RIPDOMO #RESTPeacefullyNikki*

“ *My favorite memory of Dominique will always be her laughter! She had the most infectious laughter and always made my day brighter. I was so blessed to be her cheer coach and more importantly, her friend. Not 1 day went by that she didn't have us all laughing hysterically. I will forever miss her and always remember her.*

*Beth & family, no words can express how sorry for the pain you are all feeling now. While I haven't seen Nikki in a very long time, I remember meeting her and thinking what a sweetheart she was! Jim used to speak so highly of how she would help to care for him at his worst times always with a smile and a willing hand. Jim, along with many others will have their wings open ready to welcome Nikki to a greater place than we know about. Love to all of you, Leslie*

“ *I remember Domonique so well when she was a student at Ferndale High School. What a sweet girl, a precious smile, and so full of life. My heart goes out to her dear family. Yet I know that because she loved God, she is at peace in His heavenly kingdom.*

*I thank God for allowing her to cross my path. May the lives of those she touched be forever enriched for her being here on earth.*

*She brought so much joy in such a little time. What a powerful legacy!*
