“ He was a wonderful man and father. Please do not feel bad at all. You did a wonderful and kind thing to step in and help, and our family holds you in the highest regard for that. Over the past 3 days, God has been very much with us, and we all know this was His will, and not a mistake. It is not what WE wanted, but it is what God had written in the stars those many years ago when Dad was born. He passed knowing he was fully loved, with no quarrel unsettled, no debt unpaid and no love left unsaid. I would love to meet you sometime, and hope you will email me directly so that we may correspond and make that happen in the near future. I can only imagine how hard it was for your efforts to not have saved him, and I am sorry for that panic and sadness you felt. Please know that we harbor nothing but joy and good will towards you. We are ever grateful. Please contact me soon, as I have no clue how long this comment section will be here for our use. â?¥beth@limitless-photo.com

“ Mr. Langlois, we have met several Cameron Street residents tonight at the funeral home. Even Sister Noreen, the nun from Shrine who did the prayer service tonight, lived on Cameron. It was a total coincidence. Dad certainly loved his classmates and Cameron was a magical place to grow up from what I gather. Thank you for your kind words and memories shared.

“ I met Don when he was contractor for work at EDS locations. He was always good for story about his large family whom he very proud of. Don was always there if you needed a hand with something. I asked Don for some help with a few projects for Bishop Foley Catholic High School and he would show up and help get the project done. I was a Dads' Club Board/Lifetime member and he was always a welcomed sight because you knew he would get the job done and you always knew that he had a story to follow each time. Don went the extra miles when I asked for help at my wife's QOH Church where she went growing up. Don always knew how to get the job done right. At Queen of Heaven Church that one Saturday, we finished the project and Don told the pastor that he had some time before Saturday afternoon mass and he would hear some confessions before mass started because he was a Bishop. I am sure Don has started putting together a list of improvements that he will submit to St. Peter. God Bless You Don Bishop, you will be truly missed. May you watch over Family and help them from Heaven. Good Bye for now.

“ To the family of Don Bishop: As a fellow St. Rita Classmate of Don's, one by one we return to our Everlasting Life with God in Heaven. We've had so many good times with Don over the years. My husband, Mike, and I had so much fun at the latest Class Reunion this summer at Don's house. Don was always the perfect Host and Entertainer. May he rest in peace. Our Prayers are with his family at this difficult time. *Patty McFadden Del Duco*

“ To the family of Don, Golly it is so sad to see us old timers heading to heaven and leaving our loved ones behind. I remember the days on Cameron street in Detroit playing kick the can in the alley, our days at St Rita school and football, basketball and the good laughs we had. Don was a funny guy, loved him. He is with my brother Jack now.

“ Karen - Are you the woman who was with him at Aldi's and began CPR? Beaumont told us you called to check on him, as well. You are so kind. We can't thank you enough for your help on Saturday. Had he passed at home, we would have always wondered "what if we were there?" Knowing he got immediate attention from you, the police, EMS and Beaumont, allows us the peace of knowing that everything that could have been done, was. This a tremendous relief for us. Thank you so much for trying to save my Dad. We welcome you to join us at the funeral home, funeral and at the luncheon afterwards. If you do stop by, please be sure to seek us out. I would so love to hug you. Thank you from the bottom of my heart.

“ Dear Bishop family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Donald Bishop. From personal experience I know that the death of a love one causes pain and grief and sometimes it seems unbearable. The Scriptures contain comfort that can assist us during times of distress. The ransom of Jesus and the hope of seeing my loved one again in the resurrection brought me comfort. I would like to share these three scriptures with you to give you comfort John 5:28, 29, Acts 24:15 and Romans 15:4. May the God of comfort give you peace and rest.

“ My deepest condolences to Donald Bishops family. Your father was a true good hearted man. He would do anything for anyone. He drove Loretta and myself to Nazareth to see our Sister Wood who taught us in high school. He drove us without a moments hesitation, two weeks ago, 2 hours there and 2 hours back and we also went out to lunch. I am so happy and Loretta also that we got to spend this time with Dad for over 6 hours. God Bless Your Father and it is our loss but Heaven's gain. I know you will miss him terribly but I know your father and he would want you to go on with your life and be happy. Sincere heartfelt sympathy I extend to you. I loved Donald Bishop....Eleanor Damico
