“ *What I remember most about my Uncle was how funny he was, and how he always made you feel loved! He always called me Sweetheart, and had a warm hug for me.*

However a memories that sticks in my mind is a time he came to our house to pheasant hunt one fall, and had a new dog, a little beagle with him. I said, "Uncle Don what's his name he said, Ask him". I laughed and said, "No really what's him name"? He told me "Ask Him"! The dog' name was really "Ask Him"! That's just the kind of guy he was, fun loving!

In the more recent years, I enjoyed spending time with Uncle Don and my father while they volunteered for the Lion's! It was nice to see him helping his community out!

I love you Uncle Don, and I will never forget you!
