“ Our family attends Trinity and for many years Don was always our "smiling greeter" at the 9:30 service. As our sons were growing up, he always had some words for them and it was clear that family values were of major importance to him. While we miss him greatly and will always think of him when entering Trinity's 9:30 service, we can rejoice in his eternal salvation!

“ Don will be missed. He enjoyed life and loved his wife and family. We will miss him, but rejoice in the eternal salvation that he will enjoy with Christ for all eternity
