“ I'll never forget Christmas's at Uncle Don's. The pool table covered with food and the 7 layer jello, the air hockey table where Heather, Heidi, Amy , & I placed air hockey. My brother Derek sledding outside. He left quite a legacy.

“ My deepest sympathies. Uncle Don was the last of the "greatest generation" of his family. He lived life to the fullest and always had good stories to tell of his big family. He loved his family. You will miss him but he will be a part of you forever. God Bless. Sally

“ Although I've spent so much time overseas, and have not seen much of Uncle Don, his passing really is the end of an era, and I know he'll be mightily missed. But to my cousins, his kids, I just wanna say one thing: Heaven is real. He still lives. God bless.

“ Though I did not get to see Uncle Don very often, the memories I have of him are of a kind and generous man. After my father's death Melvin Fletemier, there was no money to pay for installation of his gravestone. I wrote Uncle Don; he generously sent a check and asked me to let him know if I needed anything else. I will always appreciate his kindness.

“ I have alot of wonderful memories. Wish I could have been there for the last card party. He lived life to the fullest. God be with the family at this time. It's hard to let go. It's times like this I wish I could be back home.
