“ Dave, I was sorry to read about the loss of your dad. Back in the day when were teenagers, I recall him being a funny guy, which I figured was where you got it from. Dave, Jordy and I liked to come over to your house- as back then the interaction between you and your dad was usually comical.. Your mom's been waiting for your dad for a long time now. Hope they are both at peace and watching over you and your brothers. Love Robin
