

Donald W. Kulish

January 8, 1937 - February 7, 2024

Donald Walter Kulish, age 87, of Farmington Hills, passed away peacefully on February 7, 2024.

Donald was born in Detroit to the late Walter and Jean Kulish (née Kowalewski) on January 8, 1937. He worked as a design engineer with General Motors for his entire career, retiring with the company.

Don enjoyed golfing, "getting something to eat," listening to music, and taking random day trips to Marine City and Frankenmuth. His favorite vacation destination, by far, was the Leelanau Peninsula. But, his main passion was undoubtedly cars. Classic cars were his favorite, but he loved all cars in general. Over his lifetime, he purchased and sold no fewer than 140 of them. Beyond his pastimes, Don greatly valued the relationships he built, and he always made it a priority to keep in touch with family and close friends from over the years. He will be dearly missed.

Don is survived by his daughter, Suzanne (Patrick) Medici; his nieces, Stephanie Gregory and Heather Lulenski; and numerous cousins. He was preceded in death by his brother, Larry Kulish.

“ I knew Don for about 45 yrs, when seeing him , my first question to him was ,How are you Don?,his answer was almost always an enthusiastic ,'FANTASTIC !'

Simply said ,Don enjoyed his life and his many blessings.

Among all the things Don leaves to his adored devoted Suzy & Pat, is the rare but important role model of living a mostly contented and happy life.

I'm pretty sure Don already has an eternity of breakfast ,lunch & dinner reservations with his folks ,brother Larry and all the family & friends in Heaven.

Condolences to Suzy ,Pat, the entire extended family and many friends.

Don will be missed
