

Donald G. Moeller

February 14, 1948 - February 18, 2025

Donald G. Moeller, a devoted husband, father, grandfather, brother, and friend, passed away peacefully on February 18, 2025, at the age of 77. He was born on February 14, 1948, to Alvin and Irene Moeller. Donald grew up with a strong sense of family, hard work and dedication to those he loved. He proudly served as a Naval corpsman for the United States Marines during the Vietnam War, where he exemplified courage and commitment to his fellow servicemen. Following his military service, he built a successful 30-year career as a machine repairman with Ford Motor Company, contributing his skills and expertise to an industry he deeply admired. Donald had a passion for restoring cars, spending countless hours bringing classic automobiles back to life. He was a proud member of the Easy Rodders Car Club, Pharaohs Car Club, and the Saturday Morning Breakfast Club, where he found camaraderie with fellow car enthusiasts. His talents extended beyond mechanics; he was a gifted craftsman in woodworking, creating beautiful, handcrafted furniture and other pieces that reflected his meticulous skill and artistry. Above all, Donald was a man of generosity and kindness, always willing to lend a helping hand to those in need. He cherished his time with family, especially his beloved wife of 51 years, Claudia. Together, they enjoyed the simple pleasures of life, including their cherished tradition of watching Wheel of Fortune and Hallmark movies together or enjoying a nice cruise in the Mercury Montclair. Donald was a loving father to Sandra LeBeau and Rachel Kinchsular and a proud grandfather to Lucas (Kayla) and Spencer. He is also survived by his dear

brother, Bobby (the late Alice) Moeller, and sister-in-law, Linda Few, as well as his nieces and nephews, Kim (Jim) Ondrus, Mark (Tina) Moeller and their son Noah, along with many extended family members and friends who will miss him dearly. He is predeceased by his brother, Eugene (Genevieve) Moeller. His legacy of love, generosity and craftsmanship will live on in the hearts of those who knew him. A visitation to gather and celebration of Donald's life will be held at the Wm. Sullivan and Son Funeral Home, 8459 Hall Rd. (3Blks E. of Van Dyke) Utica, on Sunday (February 23rd) from 2pm - 8pm, with a service to honor the remarkable man he was at 6pm. His kindness, laughter and passion for life will never be forgotten. In lieu of flowers, please consider contributions to the following: Samaritan's Purse, Sonlife Broadcasting Network, and Love a MI vet project. Please share a memory with his family at www.SullivanFuneralDirectors.com.

“ *Don was a true friend. Great guy to know. Will always remember him at Lakeside cruise nights. Always pleasant to be around him. I will remember the 1955 Mercury he would be driving to the cruise car shows. He was a great guy at the Ford plant. I will miss his smile. He always had a smile on him. Always in a cheerful mood. Until we meet again buddy.*

“ *Don and I along with others, had some really interesting times working at Ford Motor Co. We worked on cars and went many places to get parts, even into Canada a couple of times. We shared stories of our short times in the U.S. Navy. We served apprenticeships at the same time, helping each other along the way. He was a great friend, and I will always remember him, especially his laugh!*

“ Papa Donald and I met after I gave my heart to the Lord as a young, very lost single mama. He took me under his wing in those days always ready with a smile, hug and practical advice. He helped me many times with my car and was always willing to jump in to help me move things or help me find a good deal to save a few bucks. After my husband and I married, he continued to be a father figure in my life and never made me feel like I was less than anyone else. I loved him and his generous heart dearly and will miss talking to him on the phone whenever we had the chance. One of my favorite memories with Donald was at a church service during revival in which Donald was serving as an usher. I went up for prayer and as he helped me up to be prayed for by the minister, we both got blessed by the Holy Spirit. A lot of people saw Donald as a tough guy, but I saw his tender heart which had a great capacity for love, and if you really knew him, you probably saw that too. He had strong shoulders to cry on, and always knew when to make you laugh to lighten the mood. I'm so thankful for him and the role he played in mine and my sons lives in those early days, as well as the friendship we forged thru the years. Claudia, Sandra, Rachel & family- our hearts and prayers are with you during this time. We love you all so much.
