“ Don and I had a rocky start. I was over protective of my mom and thought I knew everything like every other teenager. So truly blessed by this man. I have learned so much from him and glad I finally got past my "I know everything" phase so we were able to grow closer. Blessed with laughs, love, kindness, and compassion. Couldn't of asked for a better man for my mom. Thank you for everything. Miss you so much already! I love you Don (SD)
