“ So sorry to hear about Uncle Don. You're all in my thoughts and prayers. He was such a kind and gregarious man. Always quick with a smile, joke, or funny story. He would light up talking about his family. I felt like he always put a positive spin on things and lit up the room with his smile. I always looked forward to he and Aunt Diane's visits to hear a new joke or story. I am sorry I couldn't be there to hug you all!

“ I am very sorry to hear of Don's passing. I will greatly miss his smile, his sense of humor, and how he would heckle me when I would see him. He was a very special man and he would often share stories of his love for Diana, joys of his kids, grandchildren, great grandchildren, and family. I am honored to have met and shared many laughs with Don. My deepest condolences extend to all of you. Trish G. Family Medicine

“ Dear Mrs. Tanghe, Sandi, Terry, Cathy & Patti â??We were so saddened to hear that Mr. Tanghe passed away. Growing up on Mackay, I spent many an evening in or around the house. Sandi and I would play countless hours of Clue, games of all sorts or water balloons! Iâ??m sure that just made his day with all of us running around the house and â??barelyâ? missing him with a stray balloon-ahemâ?! As I got older, you could always count on him for a smile or one of his jokes. He was quite â??quick wittedâ? and did come up with some doozies that had you laughing and sometimes, you just couldnâ??t stop!. He will be missed. You are all in our thoughts and prayers.
