

Donald Lee Tucker Jr.

February 19, 1953 - December 29, 2018

Donald Lee Tucker Jr., age 65, of Madison Heights, Michigan, succumbed to his 7 year battle to cancer at the comfort of his own home surrounded by his family on December 29, 2018. Donald is survived by his loving children, Don III (Sarah) Tucker of Mears, and Cheryl (Kevin) Muscott of Clinton Twp.; his beloved siblings, Bobby (Sue) Tucker of Livonia, Eddie (Debbie) Tucker of Howell, Helen (Dale) Schumaker of St. Clair, and Linda (Mike) Pare of Florida; his former wife and friend, Beverly Tucker; and many dear grandchildren, nieces, nephews, and extended family. Donald is preceded in death by his parents, Donald Sr. and Dorothy Tucker. Donald loved to help out a friend in need and always came prepared with a joke. He worked as a HVAC supervisor and technician for over 40 years. Many of those years were spent as an entrepreneur where he went on to start a Heating and Cooling business with Beverly Tucker. His passion for work always came second to the love he had for his family. Donald's greatest joy in life was spending time with his "grandpeeps" (as he would say). He was an amazing man, a fighter and Superman strong till the end! He was the most loving and caring husband, father, grandfather, brother, uncle and friend to everyone. He will be deeply missed. A special thank you to the people at Premier Hospice in Michigan for their loving care and support during his final days. The family would like to extend their sincerest gratitude towards Wm. Sullivan and Son for being very accommodating during this difficult time. Donald's family will receive friends for a Memorial Gathering on Saturday, January 19, 2019 from 12:00 p.m. until

“ *My brother Donnie was always very good at everything he did. He worked at a young age doing a paper route and earning money and a brand new bike. I will never forget When we moved out to the country he did not want to go to a new school so he walked a good 5 miles to and from his school every day. He did this for 3 years till he graduated. Even in the freezing cold winter he would walk to his school. His feet would be frozen when he got home from school but that wouldnt stop him from going. He was very determined to graduate and he did! We were all so proud of him! I love him so much and will miss him. He always bought really neat gifts for his younger siblings at Christmas time and birthdays. R.I.P Donnie! ... Love your sister Helen*
