“ Dear family, I'm sorry for this terrible loss your family has suffered of your dear father and brother Donald. I wanted to share a comforting message with your family from the Bible. There lies a wonderful hope for those who have fallen asleep in death and their families. God has the POWER and DESIRE to resurrect those whom he chooses. Please examine John 5:28, 29 where the prospect lies of being reunited with your loved ones again. Continue to draw close to God during your time of need as God is near to those who are brokenhearted Ps. 34:18. Hope this helps your family as it has mine.
