Tribute Wall

CB

“ We shared a life time together all in one year of our life's. You left on a Helicopter on a day in June,I never saw you again. You wrote me a letter saying you survived and I kept that letter all this time. We met again in Washington DC at the Vietnam Wall. We cried and laughed all at the same time. I pulled out that letter and gave it back to you. And I never saw you again.... Happy Trails to you until we meet again.

I Love You Brother

“ We were so sorry to hear about Donavon! We will always remember his woodworking projects that he made for the Wilson Reunion Auctions. He was a quiet soul, great to be around. Living in Florida now, we miss hearing from and seeing the family. Sorry we won't be able to make the funeral. In lieu of flowers, we have sent a check to St. Jude Children's Research Hospital
