“ Dearest Donna, I will never forget the fun we had our Senior year at Airport High School, you were a good friend. We lost touch as people often do, but I have so many good memories of you. The last time I saw you was in Bob Evans in Monroe. I was with my husband having dinner to celebrate my birthday, I think it was my 30th. You came up to my table and wished me a happy birthday. I was so surprised to see you and so touched that you remembered it was my birthday! I am sorry we drifted apart, but I will never forget you, my friend.
