Donna was so full of Life & joy when I knew her. I had a challenging time when I was a kid & Donna was one of the 3 “older kids” in my neighborhood who helped keep me happy & took excellent care of my brother and I. I was so sorry to hear of her health challenges & I hope she has found some measure of peace in being freed of that and being reunited with her loved ones who have passed. Hey Donna-tell David how much I miss him, will ya?! Thanks for all of the good times and for being one of the good ones in my early days. You guys gave me hope, ya know? X
