“ *My Dear Cousin Donna,*

Our fathers were brothers. We sure had fun growing up. Especially when we lived in the same subdivision. Riding our bikes. With my brother Tim trying to catch us. We fell off our bikes a few times. And have gravel pit marks on our knees. We always showed each other our battle scars even as adults. And laughed about how much fun we had.

We have so many memories with our families camping together. Running from a guy named Dan. We was swimming at Round lake. He would surprise us & pop up in front of us at the most unexpected times. Always making us laugh, he would laugh too. He pops up out of the water scaring us. We laughed so hard. He had took my dads sun glasses. And had them on swimming with them. My dad said let him have them they mean a lot to him.

Dan would chase us all the time. He was fast. We couldn't believe he was holding a can of Pepsi and he chasing us. He didn't go under the rope blocking off a road. And his arm went up on the air. The Rope caught his neck. He's yelling I saved my pop. My sister Lisa was eith us. Dan started laughing then we laughed with him. If you spent anytime with Donna you had a good time. You would laugh for sure. She could really amaze you with how many different topics she knew about. She loved to read. She loved family & kept in touch with everyone. True love.

My mother sold jewelry back in the days of home parties. Donna was one of mom girls. Donna sold more than anyone. Donna loved doing home parties.

She sold Tupperware, Mary Kay, Jewelry, Oils, Vitamins. And big items like facial skin stimulators. She was great at it. She used everything she sold, she took great care of her body.

Donna always looked beautiful.

She loved acting. She was a great Christian actress. It meant so much to her.

Donna was a loving, kind Christian woman. As little girls we went to each other churches. We loved talking about Jesus. Throughout our whole life.

Donna sure ciould sing pretty.

Donna gave her all to her loving husband Doug, her children, grandchildren, parents. Her sister Sandy, Denise & brother Robby. She loved all her Aunt's & Uncles & cousins. And the hundreds of friends she has. If you talked to Donna she made you a new friend. She knew the word of God. And was ready at any moment to share "The Gift Of Salvation". She was a great prayer warrior. Reaching people for Jesus was one of her biggest goals in life. She knew Heaven is Real. And did not want anyone to miss going to Heaven. Especially family, she wants us all to be together again. She loves each of us so much.

My sweet cousin I will miss you. You gave your all to everyone. The Lord decided your work on earth you had full filled. You now are with Jesus. Walking with your Savior in Glory. With all your loved ones that went to Heaven before you. I thank the Lord you was my cousin. I thank him fir your life.

To Doug & my cousins & their children. And siblings & children. I love you. Donna would want me to say Jesus Loves you so much! And I also feel bad she is not with us. She dreamed of Heaven & Jesus.

Donna memories of your life will carry on generations & generations. You are the example of how a person Loving Christ should live.

Lord Jesus thank you for Donna being in our lives. Please comfort each person & chikd that hearts are broken., Let us all imagine her beautiful smile as she looks at Jesus. Love to all. To everyone who knows Donna. May God wrap his arms around each of you. He will if you let him.

*Prayers & Love, Gods Blessings,
cousin Pam Frazier-Karcher*

“ Our sincere condolences to Doug & Jon and the Reich family. Our son and Jon became friends when they were 4 years old and were in the same class through high school. Donna adored her kids & was always involved with her children's activities. She and Doug were a loving team. Donna's grandkids also brought true joy to her life! She was so much fun to be around and extremely talented. We are truly sorry to hear of her passing, but know she is in the loving arms of Jesus, whom she loved and served while here on earth. You will all be in our prayers. 🙏

“ Too many memories to share here...but here are a few. Met Donna at a Home Interiors party. Her mom was my next door neighbor and ask me if I wanted to go to it. That was about 40 some odd years ago. Donna use to call me and sing Happy Birthday as her alter ego, Vivian....singing in an off key southern voice, which was hysterical. She would leave the longest messages on the answering machine. We had traveling adventures in Texas, Utah, Missouri, Tennessee and Michigan. We've laughed, cried, danced, sang, together over the years. Rest in Heaven, my friend. In are in my heart forever and ever. Till we meet again!

“ Donna's dad, Clarence (Fuzzy to us) and my dad (Charles Weeks) worked together for years at Ford Tractor. They were best friends. When my dad came to Michigan to visit, we always went to visit Nadine & Fuzzy Frazier Donna and I laughed so much at those two, one time, they said they were twins because they had the same color shirt on. The Frazier's were so special to me and my family. She was a special person and will be missed. Thanks for all the memories. I am glad you are out of pain and in the arms of Jesus.

“ Donna and net when my family moved in to the house next door to her. I was about 5 and she was 4 and a half. We were two peas in a pod as she was usually the follower and me the leader. We got into some trouble (actually she got it worse than me) after playing mailman with vacation folks mail and depositing their mail on the front lawn. I dont rememver this but she certainly did. She was always the "Smarter One" I loved her like my sister, and although I'm sad she is gone,, I'm rejoicing she is with her Lord and Savior, cured, free from pain, discomfort and rejoicing herself to see her family. She will always be a part of me and I will never forget the fun we had even though I usually got her into trouble. Rest In Peace Donna and tell your Mom and my parents hello!

“ I only met Donna and Doug a short time ago, I was hired as a caregiver to help Donna and relieve stress on Doug and I have never seen such love for each other and how happy Doug was to take care of his wife. I am so great full to have met Donna and over the past few weeks I have learned so much about the person she was. So sorry for your loss. Fly high Donna💜

“ I was only three years old when Donna married my brother Doug. I have no early memories without her in them. My favorite memory was Euchre nights when Donna and Doug played Euchre with my parents until all hours of the night. There was a lot of teasing, yelling of "We Euchred you!" while dancing in place, and laughing. In fact, so much laughter, Donna always ended up running down the hall for the bathroom (some nights more than once!)! Donna was a loving, funny and beautiful woman, inside and out, and she will always be missed. May her memory be eternal.

Much Love,

Robyn
