“*The Donna we will so keenly miss, our Super-PolishWoman. The intelligent, intuitive love and caring she gave each of us in her quiet, steady way supported and comforted us, grounded us, so many times, so many ways. She lent her strength to so many others, and it was an honor to have shared her humor during good times and hard times. So creative, loving, talented, so tuned into her children, grandchildren, family, and all the close friends she made family. So difficult to let her go, and hard to think about closing the wound it leaves in our hearts. But Donna leaves a legacy of laughter and love and a sense for everyone whose lives she touched that we have the capacity to do anything in the world that can be imagined. God has you in His keeping, Donna, but you're forever in our hearts. Much Love--Laurie*
