“ *Dear Al, Mena, Becky, Sarah & Teddy, I'm so sorry that I couldn't be there with you to celebrate Donna's life last weekend. I have sooooo many wonderful memories of her that I could never choose just ONE to share... but each and every one of those memories includes Donna smiling, laughing, and giving 100% of herself to those around her. I know she is still smiling at and with us from above. I love and miss you ALL and hope to see each of you sometime SOON. Love, Beth*

“ Dear Al, Ron and I were deeply saddened to learn of Donna's passing. Donna was a dear friend to me and I will miss her greatly. She was a wonderful person always so full of life. I can only imagine the enormity of the loss for you and your family. Such a huge hole in your hearts. We are in Florida, that made it impossible for me to attend her services today. I am heartbroken. I will treasure the memory of our friendship and those carefree days as young student nurses as well as the all the milestones over the last 40 plus years. You are in my thoughts and prayers. Sincerely, Harriette Coleman Gillum

“ I met your mother nearly 40 years ago. My sister introduced us, she said, :great! you can meet Donna. Her girls are going to be in my wedding. I was unprepared for meeting such a likable and charming person. She was so smiley and such a cutie. She reminded me of Donna Reed on television or Samatha Stevens on Bewitched. I'm sure we've all met people who we are drawn to for some reason. That was Donna. I'm very sorry for all in the Reyman family however, sorrow is a tribute to a life that touched others deeply, and even though sorrow may endure, memories are forever.

“ Dear Ted, Kelly and family: We were deeply saddened to hear about your mother, Donna. She was a warm, lovely and gracious person and we can only imagine how much she will be missed. This quote seems particularly fitting for her: "That which brings us sadness has once brought us joy. May you cherish forever all that was yours."

“ Becky and Family, I was saddened to hear about the loss of your Mom, and am keeping you in my thoughts and prayers. I have many fond childhood memories of spending time with your family and always felt welcome at your house. I recall your Mother didn't seem bothered by the fact that we "rode" down your stairs sitting inside pillowcases with the pillows inside them and had loud sleepovers in your basement. She was a special person. Love, Vicky Sandzik Boker

“ Rebecca and Family, Thinking of all of you during this heartbreaking loss and sending you my heartfelt condolences. Mrs. Reyman was a joy to know and made everyone she met feel as if she had known them forever. I am so glad I knew her. “ Although I saw her rarely since I moved away from Royal Oak, Mrs. Reyman always had the unique ability to make those around her feel truly special. I know that's because she was so very special herself. May her beauty and grace live on, through both her family and our fond memories...

“ I met Donna in 7th grade and graduated from Kimball High School with her. She was always a beautiful person inside and out. Great smile and personality. I am saddened by her passing. I have not seen Donna since one of our past reunions. I was hoping I would see her at our 50th this past October. I wish I lived closer as I would like to be there to pay my final respects to her. She will be greatly missed. Fondly, Judy Pedlar Hair

“ Mena, Becky, Sarah, Ted, family, and friends, My sincerest sympathies with your loss. Heaven has gained a wonderful woman. How could I forget us sharing mini pizzas from the toaster oven in your kitchen prepared with her motherly touch for us? That is only one of dozens of fond memories that I have of your mom from my childhood. I know your mom's caring and loving nature enriched many lives. May you find peace in this time of sadness.

“ Another classmate is gone letting me know that no matter how immortal I think I am, as Donna is now, so will I be. Although Donna and I were not close in high school, we were more than just acquaintances as she was a member of that group of young adults, the Class of Royal Oak Kimball 1959, who were my friends and contemporaries. Rest in peace Donna, and my condolences to your family.
