“ When the Wiles clan would have a family event or get-together I'd always ask if Grandma Wiles was coming down from up- north - I'd get excited when she did because she and I shared the same sense of humor along with the same grandchildren and great-grandchildren...

*Donna was a sweetheart. I will miss her always.

“ I can't even pick my favorite memory of Donna because there were so so many! From loving her as a teenager, to loving her as an adult, she had a huge part in my life over the past 40 years. There is nothing she wouldn't do for her kids and grands, and her love for her family showed in everything she did. I was blessed to have her in my life as my mother in law, but who felt more like a mom in every way. She was just that kind of mom. Everyone loved her! She will be greatly missed and I can't wait to see her again on the other side.
