“ *What do I say... Steve, Terri, Shelly...and all of your wonderful kids, I know how much your Mother, and Grandmother, was loved and how very special she was to all of you. The closeness that you share is a testament to what meant the most to your Mom...her family. She was always so proud and was never short of things to say about each and every one of you. I feel so blessed to have had my life touched by Donnajo and her entire family. Her legacy will carry on through your love and compassion for each other. My thoughts, prayers, and love are with all of you during this most difficult time.*
