“ Aunt Doris was the kindest person I know. Her home was always open to family and visit
It's.
During my high school years,I walked up to her house every day for lunch. I'd pick up Italian bread and grandma would make fried eggs. Then I'd walk back to school.
We would love to visit her home every chance we had.
She was my touch stone to that generation. I called her at least two times a month. There are not enough words to tell you how greatly I will miss her.

May God comfort you as only He can do . May your grief be replaced with joyful memories.

Sincerely, Glenda
